CANADA

Mariposa Decorative Design Canada is a wholly-owned
internal Division of:
Mariposa Group Canada Ltd.

Own a business

that supports an enterprise network of thousands of designers and decorators.

A Mariposa Decorative Design Centre is both a retail store and a physical resource that supports literally thousands of Premier Designers, Decorative Designers, and General Decorators that operate within the local area and also across the nation.

The concept of a Mariposa Decorative Design Centre is quite unique with how it operates. A Centre features a wide assortment of decorative design products that includes some showcases of decorum, decor accessories, paints, and wallcoverings.

Our Business Objective

Our business objective for a Mariposa Decorative Design Centre is to primarily support the daily operations and efforts of Mariposa's team of Premier Designers, Decorative Designers, and General Decorators as they service tens of thousands of clients with residential and commercial property improvement projects, as well as assisting with the design process of home building and remodelling.
