About the park

The Mariposa Business and Industrial Park was architecturally planned and construction began between 2018 to 2023. The Park will accommodate the headquarters of Mariposa Group Canada and also the top management of Mariposa's worldwide operations. The Park encompasses 460 acres (3.1 km²), which includes parklands and parking facilities. Mariposa uses the park for office buildings, exhibits for the display and distribution of products, and also the promotion of services, factories and studios for industrial design and manufacturing, supply chain management and logistics, and brand communications, exposition, and multimedia production.

The Mariposa Exhibition Place is a mixed-use building complex in the park, located nearby the main entrance. The building is situated on a 197-acre (80 ha) site that accommodates exhibits, corporate conventions and banquets, multimedia and theatrical art venues, and historic and heritage galleries.
